SS30004DH

SS Series – Mobile Wash Skid

Steam / Hot / Cold Water – Self Contained: Diesel Heated, Diesel Engine, 12v Burner

The **SS Series** is a power washer that uses the 12-volt charging system on the engine to power the diesel-fired burner giving you continuous hot water. Its compact size allows passage through standard doorways, and simple design makes it easy to run and maintain. The SS series is versatile, you select a mounting option: on a trailer, on a truck, on wheels or stationary. The SS Series has the output to perform heavy duty cleaning without needing any outside electrical power. Simply turn the key for high pressure, hot cleaning strength. An invaluable piece of equipment for property management companies, farmers, mechanics or anyone requiring a mobile cleaning solution for dirt, grease, and grime.

Cleaning solutions for government, municipal, & military

Featuring:

- ✓ **Rugged “Pro-Tec-It” Frame** can be truck or trailer mounted or rolled through a 30” doorway with the optional wheel kit.
- ✓ **Stainless Steel** panels for Lifetime Corrosion Resistance
- ✓ **Commercial / Industrial engines** with high output charging systems
- ✓ **Total Relief Unloader** improves operator control and safety, while enhancing reliability by eliminating trapped pressure
