Hydro Tek Distributor Marketing Bulletin

July 2010

**Try one!  
You'll feel the difference.**

**New High Reach Wash Pole**  
Our new 20 foot wash extension pole offers additional control and rigidity not found with telescopic wands. Uses trigger gun from your wash skid, no need to turn off wash skid or change guns. The Hydro Tek high reach wash pole includes a comfort brace gun holder, full length jumper

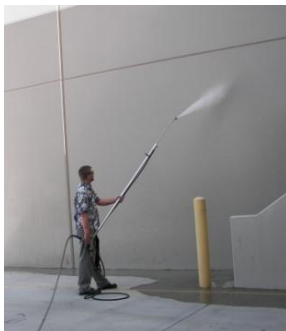

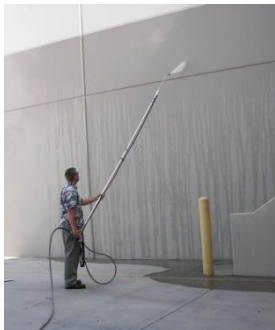

hose, three sections of 6' poles, spray head attachment, and also includes shoulder strap. Max ratings: 4500psi and 250°F., others rated only to 195°F. (Gun holder will hold Hydro Tek VG200 and Suttner ST1500 trigger guns.)

**List Price \$249, Part# AVW20**

**Uses trigger gun from Hydro Tek skid (or ST1500 gun), snaps securely into gun bracket.**

**Easily add or drop sections of pole to go from an 8' pole, to 14', up to 20'**
