

HN-R Series – Natural Gas / LP Stainless

Steam/Cold/Hot Water Pressure Steamer – Natural Gas or LP Heated, Electric Motor

The **HN Series** is an ideal stationary unit offering high output that is fully controlled at the wash site with its standard remote control. It delivers the ultimate in convenience to save time and money: no fuel tanks to fill, no pilot to light, no garden hose to hunt down, no running back to the machine to turn the soap on, it even has automatic shut off. This rugged and proven washer will perform and thrive under the harshest industrial applications. Its versatile cleaning power is preferred by mining, fleet managers, processing plants, and factories everywhere.

PRESSURE	2000
FLOW CAPACITY	3.8
OUTLET TEMP	Adjustable up to 250°F, 140°F Rise
POWER/ENGINE	5hp
VOLTS/PHASE/AMPS	Dual rated for 208v or 230v - 1ph 24a
CONTROLS/SWITCHES	Lighted on/off switches, hour meter, pressure gauge, adjustable temperature, panel mounted soap control, adjustable auto off timer, Wall-mount remote included
PUMP	Cat Pump, Belt Drive, Triplex Ceramic Plunger
PRESSURE CONTROL	Total relief K7 unloader, burst disc, safety relief valve, adjustable pressure wand
WATER SUPPLY	3.5 gallon float tank, double inlet filtration, back flow prevention
PRESSURE HOSE	3/8 x 50' 5400 psi, non-marking, 250°F Rated hose and 3/8 x 9' jumper hose for remote
GUN / WAND	48" molded insulator, adj. pressure wand, with multi-nozzle holder and quick coupler
SOAP INJECTION	Full Pressure Inlet soap/chemical injection - Stainless Metering Valve - Soap Solenoid
NOZZLE	#5.5 - 0°, 15°, 40°, / #4.5 - 25° Steam
BURNER COIL	1/2" 220' sch. 80, 7 Pancake coil with ceramic insulation and Stainless enclosure
BURNER/POWER	Natural Gas Cast Iron Ring - Automatic Electronic Ignition
BURNER INPUT	400,000 BTU
CONSTRUCTION	All Stainless Steel: frame, panels, coil wrap, legs
WHEELS	Wheel kit option available for Liquid Propane version
WEIGHT/DIM.	531# / 47x24x48

*Specifications subject to change without notification and may vary due to ambient conditions.

Featuring:

- ✓ **24V remote control** with 100' cable gives operator dual control of all six functions, both at the machine and wash site: 1) Pump 2) Detergent 3) Burner 4) Pressure 5) Nozzle selection 6) Hose storage
- ✓ **Super heavy-duty** components and corrosion resistant stainless construction ensure years of trouble free service

Options...

Hose Reels (AR008, AR187, AR188) Draft Diverter (BGD10), Extra Remote (AEN60), Liquid Propane Conversion (BGV05), Wheel Kit for LP version (AHB12)
