

### Steam / Hot / Cold Water – Self Contained: Diesel Heated, Gas Engine

Experience ultimate duty cleaning power. The **SCU Series** has the reserve horsepower and heat rise to get the job done faster, with less soap. It has a rust proof, stainless steel frame and long lasting, quality components to withstand the daily use that a professional demands. The built-in generator has additional capacity to run lights or water recycle accessories and you can also carry water with the optional ProTowWash trailer for total self-containment.
